

A gift to the WLMH Foundation in your Will is a simple and powerful way to be remembered.

Your legacy gift will strengthen the future of Healthcare and benefit family and friends living in West Niagara.

## About West Lincoln Memorial Hospital

Caring at West Lincoln Memorial Hospital, a site of Hamilton Health Sciences, has always been about more than bricks and mortar. A dedicated team of compassionate and professional staff and physicians, comprised of local and family doctors, deliver high quality and safe care every day. Areas of care include emergency, birthing, outpatient care, complex illness, and palliative care. WLMH also serves as a point of access to the broader health system, and is the lead hospital for the Niagara North West Health Link – a provincial initiative that brings together healthcare providers in a community to better and more quickly coordinate care for specific patients.

It is the mission of the West Lincoln Memorial Hospital Foundation Inc. to develop and cultivate philanthropic opportunities and collaborative relationships to foster medical programs and health services and thus improve the health and well-being of the people in our communities.

- I have remembered WLMH Foundation in my will.
- I would like information about donating to the WLMH Foundation through my will, insurance policy or other legacy gifts.

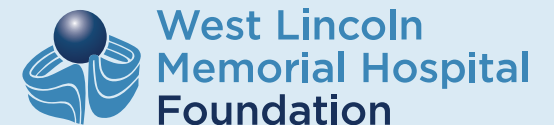

Thank you for investing in life and considering including West Lincoln Memorial Hospital Foundation in your estate plans. When you do, we hope you will share your decision with us so that we can express our appreciation today.

# Wish List

2016-2017

An investment for a healthy cause

# Wish List

2016-2017

The annual **Wish List** catalogues the current capital needs of West Lincoln Memorial Hospital, by program, as deemed necessary by the Hospital's Site Council. Ongoing investment in medical equipment is required to maintain the quality of care provided by the WLMH. By becoming a partner with the Hospital's Foundation, you can strengthen our healthcare system ensuring your hospital is equipped to care for family, friends, and neighbours.

**Give the Gift of Health...  
Strengthening Our  
Healthcare System**

## Clinical Support

<b>ECG, Lab, Ultrasound, X-Ray</b>	
Centrifuge	\$8,000
Hematology Slide Storage Cabinet	\$300
Probe - Linear (11L4)	\$9,000
Probe - Wide footprint linear (12L5)	\$12,000
Slide Stainer	\$12,000
Spirometer (2)	\$5,050
Upgrade of AMX 4+ portable x-ray unit to digital radiography (DR)	\$90,000

## Project X-Ray

**Project X-Ray includes the replacement of several key radiology pieces of equipment.**

**Mammography Unit** takes a specific type of image to aid in the diagnosis of breast diseases.

**PACS system** will help to create a comprehensive electronic patient record of diagnostic images such as x-rays and enable medical staff to provide more expedient, immediate and well-informed care.

**Ultrasound Unit** ultimately forms a picture of body tissues.

**Portable X-Ray Unit** will allow medical staff the flexibility of bringing the equipment to the patient, instead of the patient to the equipment.

**X-Ray Room 1 & 2** will be upgraded with advanced, state-of-the-art radiology equipment ensuring enhanced diagnostic testing and improved maneuverability for medical staff and patients.
