What is the Tim Hortons Peachbud 10K School Challenge?

The Tim Hortons Peachbud 10K School Challenge is a new initiative to encourage all elementary schools in West Niagara to host their own race in support of our local hospital. Your race would be held on school property during Field Day (or another date of choice) and the length of the race would be selected by the school (100m, 800m, etc). Students would have the opportunity to raise pledges for the West Lincoln Memorial Hospital Foundation's Project X-ray campaign prior to the race.
