

Will you put your BEST foot forward?

Dream Team Runner:

Dr. Glenn Pierce

“We live in a beautiful part of Canada. Running provides the opportunity to enjoy our surroundings in every season. Being a part of the Peachbud Race always reinforces to me the strength of our community: the runners, the volunteers, and supporters gathering together on a summer evening. Every runner has their own goal. Participating in the Peachbud Race on behalf of the fundraising efforts of the West Lincoln Memorial Hospital Foundation links personal goals with our community's goals.”

Dr. Glenn Pierce
Physician, WLMH
