

A gift

to the WLMH Foundation
in your will is a simple and powerful
way to be remembered.

Your legacy gift will strengthen the future of healthcare and benefit family and friends living in West Niagara.

- I have remembered WLMH Foundation in my will.
- I would like information about donating to the WLMH Foundation through my will, insurance policy, or other legacy gifts.

Thank you

for investing in life and considering including West Lincoln Memorial Hospital in your estate plans. When you do, we hope that you will share your decision with us so that we can express our appreciation today.

Life...

IS A GIFT...
but it's also fragile and complex.

From a baby's first cry to the tears shed for someone in pain or nearing the end of life. That's why the care at West Lincoln Memorial Hospital has always been unique and personal. Since WLMH opened its doors in 1946, our community has always been our priority. As our community continues to grow and our healthcare needs increase, it's time to expand and rebuild our hospital.

WILL YOU JOIN US

by donating to building our new community hospital?

WILL YOU HELP US

ensure that exemplary healthcare is provided right here, close to home?

It is the mission of the West Lincoln Memorial Hospital Foundation Inc. to develop and cultivate philanthropic opportunities and collaborative relationships to foster medical programs and health services and thus improve the health and well-being of the people in our communities.

Caring for our Patients

2021/2022

Invest in
Life
LIST 2021/22

Investing in the capital needs for the programs and services of West Lincoln Memorial Hospital is critical. Together we can ensure that our medical professionals are equipped with the best tools for the best care possible. Technology advances quickly and it's our goal to stay proficient at keeping equipment up-to-date. You can help strengthen healthcare by equipping it to care for family, friends and neighbours.

GIVE THE GIFT OF HEALTH...
Equipping healthcare for the needs of
tomorrow

Every piece of equipment has a varying life span and sometimes it even breaks. All equipment purchased will be moved to the new WLMH in 2024 if in good condition.
