West Lincoln Memorial Hospital

Building on Excellence

Investing in Tomorrow

For more than 70 years, West Lincoln Memorial Hospital (WLMH) has been a cornerstone of healthcare in West Niagara. One year after opening our new state-of-the-art hospital, we are looking ahead with a renewed vision for the future.

Our first year has revealed opportunities to enhance care. Our larger hospital has identified additional equipment needs, while new programs require specialized surgical and diagnostic technology to serve our growing community.

Since the grand opening, WLMH has identified $1,173,661 in additional equipment needs. The Foundation continues to work with our generous community to secure the funding required to meet these needs and advance patient care.

Our vision builds on WLMH's proud legacy by embracing innovation, expanding services and strengthening patient-centred care for generations to come.

Through the Trees of Healthy Wishes campaign, your generosity will help provide essential equipment, support healthcare teams and enhance care for patients and families throughout West Niagara.

Together, we are investing in the next chapter of exceptional community healthcare. Together we are investing in life!

A Gift in Your Will:

A Simple and Powerful Way to be Remembered

Making the decision to leave a gift in your will is a profound act of generosity that ensures your legacy endures beyond your lifetime. A legacy gift will strengthen the future of healthcare and benefit family and friends living in West Niagara.

- ☐ **I have remembered WLMH Foundation in my will.**
- ☐ **I would like more information about donating to the WLMH Foundation through my will, insurance policy or other legacy gifts.**

Thank you for considering including West Lincoln Memorial Hospital Foundation in your estate plans. When you do, we hope you will share your decision with us so we can express our appreciation today.
